Updated Equity Index Rebalance Schedule for March 2021

An updated equity index rebalance schedule for March 2021 is now available on the ICE Data Indices website (<https://www.theice.com/market-data/indices/equity-indices/rebalance-schedules>).

It is also available on the ICE Index Platform (indices.theice.com).

Please note that effective with this month, the rebalance announcement for the following indices will occur after the close on the sixth index business day prior to the last index business day of the month (March 23, 2021):
