

Excerpt from Raymond James, August 20, 2019
<https://raymondjames.com>

....

We are **upgrading ...** **to Strong Buy**, the first time we have done so since its IPO Despite the different industry, this rating change is conceptually similar to our **upgrade of ...** on August 13. At a time when the clean tech index (ECO) is up 38% YTD, both stocks experienced outsized dislocation in recent weeks - and, in fact
