## Market-Beating Sector ETFs Year to Date

....

Below we highlight those winners.

....

### Clean Energy

Clean energy ETFs have ridden higher this year. This has happened despite President Trump's inclination toward booting fossil-fuel energy. Going by an International Energy Agency (IEA) report, worldwide supplies of renewable electricity are expected to expand 50% in the next five years.

....

Top-Performing Alternative Energy ETFs YTD).

.... **Invesco Exchange-Traded Fund Trust - Invesco WilderHill Clean Energy ETF PBW**  
(up 44.6%)
