## This Week's Top Performing ETFs: 10/04/2020

### Top Performing Unleveraged ETFs Last Week

These were last week's top performing ETFs. We've excluded funds which use leverage or make inverse bets on their underlying assets.

This past week was all about going green as alternative and clean energy funds dominated returns. There's actually only one fund that isn't related to clean energy: the ... The week's biggest winner however, ... has been having a great year in returns and is up almost 130% with in flows over \$520 million. It's great to be green.

...	Name	1 Week Return
